# FMC Environmental Committee

**Filter Knowledge, Unfiltered**

---

*Quorum*

# Committee Elections

---

- Chairman - Steve Schurman
  - Champion Laboratories
  
- Vice Chairman - Rick Hubbell
  - Sogefi North America

Succession Planning (2+2)

---

# Mission Statement

---

Current statement is mid-90's

- Not just 'manufactured' but also **distributed**
  - Not just 'members' but also **associate partners**
  - Expand 'federal & state' into **governmental**
-

# Legislative

---

'... and to influence environmentally responsible business practices ...'

- US House & Senate recycling caucuses formed
  - FMC committee acknowledgement of effort
  - FMC committee offer of assistance  
'put me on your mailing list'
-

# Strategic Initiatives

---

- Work to amend the FMC model legislation to account for proven recycling initiatives
    - If it works – support it (AUOMA)!
  - Conduct a membership environmental policy survey
    - Do we practice what we preach?
  - Promote positive environments' stewardship of members
    - Use our Marketing Committee
  - Expand the traditional focus to include internal operations
    - Environmental goes beyond just filters
  - Establish the network to stay informed
    - Who is doing what, where , when
-

# Questions?
